

Chi-Hé Elder and Philippa Lewis

Running for Stewards 2010-2011

As enthusiastic members of the MCR, we have decided it is time to step it up a notch and put our people skills into action. Having already spent a year regularly attending Grad Hall, we are aware of the importance of providing our fellow students with their well-deserved drinks both before and after their meals, and we are keen to utilise this position to maintain the renowned social atmosphere within the Trinity Hall MCR. We are keenly aware of the responsibilities that go along with this role having observed last year's Stewards, and we are already in the process of brainstorming our own ideas for potential drinks at the Christmas and Annual dinners. Both being organised, dedicated, and of course sociable, we feel that we are the perfect candidates for this role.
