TEAM V

VICTOR * VERITY

Team V is running for Ext-Ents and we'd like your vote! Victor is the current Ext-Ents officer who has matriculated 3 times from Tit Hall. He brings old-time experience to the role, like Bernie Sanders will to the Presidency. Verity is a first year PhD, having completed her undergrad, regrettably, at the other place. She brings to the team an unrivalled ability to bake cakes. Verity also glows in the dark.

DAILY SWAPS - we will organise swaps for every day of the week. We will organise a swap to Oxford, utilising Verity's 'exclusive' connections. We will also organise Tit hall's **FIRST EVER** swap to Australia. Accommodation, in Victor's house in Sydney, will be provided free of charge.

NO FEES - we're committed to abolishing all College fees. Education should be free and money should be spent on swaps, not books.

MCR JACUZZI - if elected, we will build a Jacuzzi in the Red Room. The Jacuzzi will be filled with international water, because you can do anything in international waters; Victor would know, he studies law.

ALCOHOL TAP - every student room will be fitted with an alcohol tap, dispensing your choice of beer, cider or cinnamon whiskey.

A vote for Team V is a commitment to making Tit Hall great again. This is the vote to end all votes. Literally.

If elected, we'd create a dictatorship. There'll be a fun police. Compulsory swaps for individuals deemed to not be having enough fun. And now with 100% more Kevin*, Team V is the obvious choice for Ext-Ents.

*We understand that this is an in-joke, but trust us; Kevin's endorsement is the bomb.
