

CANDIDATE FOR STEWARD

We would like to continue serving as your MCR stewards for the coming year. We are looking forward to keeping the port and sherry flowing and ensuring the cupboards are stocked. Rob is truly the only person worthy to carry on the prestigious tradition of MCR stewardship. Madeline has been helping him with steward responsibilities for the past few weeks, so we anticipate the transition will be seamless. We look forward to helping out the MCR community and thank you for the support!
