

CANDIDATE FOR WELFARE OFFICER

Hi, we are running for Welfare officer - being doctors by training we want to ensure all Trinity Hall MCR members have access to meaningful support and advice when they require it. We understand the importance of confidentiality (so you can be happy talking to us ☺).

We will of course keep the Welfare cake as it is an important part of MCR life and a good opportunity to make first contact in case problems arise.

We will also work with you to understand the broader welfare issues at Trinity Hall and push Welfare up the agenda - using your suggestions over the year to make our college an even more fabulous place than it already is.

Best wishes,
Vera & Clare
